- **Term:** 1 - 7 years

The screenshot shows the ANZ website interface for the ANZ Variable Rate Personal Loan. The page features a navigation bar with 'Personal', 'Business', and 'Corporate' options, along with a search bar and 'Log on' button. Below the navigation, there are links for 'Personal loans', 'Car loans', 'Overdrafts', 'Compare personal loans', 'Debt consolidation', 'Your loan', 'Calculators and tools', and 'Apply'. The main content area displays the title 'ANZ Variable Rate Personal Loan' and the subtext 'Get the flexibility to make extra repayments'. There are two buttons: 'Apply now >' and 'Interest rates & fees'. Below this, there is a 'Track my application' link and a paragraph stating: 'Whether you're looking to buy a new car, renovate your home or you want to consolidate debt, we could help you with an ANZ Variable Rate Personal Loan.' At the bottom, there is a 'Loan features' section with two columns. The first column has a dollar sign icon and the text: 'Pay off your loan early with no exit fees. You can make extra repayments whenever you like to reduce your loan term and interest you pay, helping you to pay it off earlier.' The second column has an upward arrow icon and the text: 'Flexibility to increase your loan amount. If you need a bit extra, you could apply to increase your loan if your plans get bigger. If approved, you'll continue to have one loan amount and one repayment schedule.'

A representative example

Loan amount \$5 000 borrowed and fully repaid after 1 year of using

the loan. Total amount payable = \$5 726.88. The fee would be \$726.88.
