The screenshot shows the NAB Business Markets Loan webpage. The header includes the NAB logo, navigation links for Personal, Business, Corporate, and About us, a search icon, a help icon, and a Login button. Below the header is a breadcrumb trail: Business home > Loans and finance > Business loans > NAB Business Markets Loan. The main content area features a large image of a woman smiling, with a white box overlay containing the text "NAB BUSINESS MARKETS LOAN" and "Flexible, easy to use loan with repayment options to meet your cash flow cycle." Below this is a green "Enquire now" button. A dark banner at the bottom of the main content area reads "Business affected by COVID-19? See what support options are available." with a red "Learn more" button. The bottom section of the page is divided into two columns. The left column is titled "Here's what you get" and lists four benefits: 1. The ability to borrow amounts over \$250,000; 2. Loan terms from 30 days to up to 15 years (subject to qualifying criteria); 3. Progressively draw down on your loan for construction purposes; 4. Online transaction capability for repayments and redraws (on floating and cap components) allows the loan to be more accessible and support business needs. The right column is titled "A flexible and easy to use loan" and lists four features: 1. Loan structure doesn't need to be agreed to upfront and new components are easily added with no additional documentation required; 2. Loans can be interest-only or established with principal repayments; 3. Match payment schedules and interest charging dates to your business's cash flow cycles; 4. One interest payment under one account, like a term loan.

A representative example

Loan amount \$300 000 borrowed and fully repaid after 3 years of

using the loan. Total amount payable = \$316 392. The fee would be \$16 392.
